It is a pivotal factor for your child's success that they utilize this time effectively and devote themselves to consistent and diligent studies. The preliminary examinations are not merely a test of academic knowledge but a stepping stone towards achieving excellence in their future endeavors. Encouraging a disciplined study routine and emphasizing the importance of regular revisions will greatly benefit your child in mastering the subjects.

Sample revision papers, Enrichment sheets, Rapid revision notes etc. which are issued to the students should be completely and thoroughly attempted. At least 5 sample papers should be practiced for getting outstanding results in the subjects.

All the students have to compulsory appear in above exams. If a student is fail in Prelims, his/her preparatory leaves will be cancelled. Such students have to compulsory come to school during preparatory leaves.

Students are advised to be self-motivated & stay away cell phones and other electronic gadgets.

Let us collectively strive to create an environment conducive to academic growth and success for our students. With your invaluable support and our combined efforts, we are confident that our students will achieve remarkable results in their preliminary examinations.

With best wishes
