Date: 12th March 2024

Dear Parents,

New admissions for the next academic session 2024-25 for the classes XI have started from 01st February, Thursday. Preference in admission will be given to SVV students. **As informed earlier, all the enrolled students of class X of Shree Vasishtha Vidhyalaya are to take fresh admission in class XI between 01st February and 25th March, 2024 by filling up the Admission Form & Depositing the first term Fee for class XI.** It is imperative to note that failure to complete the admission process by March 25th, 2024, will be construed as the student's intention to pursue education elsewhere. In such instances, the student will forfeit their right to admission at SVV in the future, and the Management will proceed to admit waitlisted students from other schools.

Parents whose children are studying in SVV in class X and wish to seek admission for their other child here are **advised to take admission latest by 25th March' 2024.** No preference in admission will be given after the expiry of this date.

With Regards
