Dear Parents of Classes V to IX,

Subject: Section shuffling for the Academic Year: 2024 - 25

Warm greetings!

At Vasishtha Vidhyalaya, we are dedicated to fostering excellence and maintaining a high standard of disciplined conduct to cultivate academic enthusiasm among our students. With this commitment in mind, we have made the decision to implement section shuffling for all students from grades 6th to 10th. This strategic move aims to provide equal opportunities for diverse learners and foster an academically conducive learning environment within our classrooms.

The process of section shuffling is not only intended to optimize academic performance but also to nurture the socio-emotional development of our students. By experiencing different classroom dynamics, students have the opportunity to enhance their collaborative skills and develop a sense of social security within the school community.

We firmly believe that this initiative will contribute positively to the overall performance and well-being of our students. Your full cooperation and support in this endeavor are greatly appreciated as we work together to ensure the success of each and every student at Vasishtha Vidhyalaya.

Thank you for your understanding and collaboration.

Regards
