SUMMER ASSIGNMENT

CLASS – VI

Summer Assignment

Dear Parents,

Greetings from Shree Vasishtha Vidhyalaya!

“Searching and learning is where the miracle process all begins”. - Jim Rohn

Vacation is just one letter different than vocation. Summer vacation is the time when children can be more candid and creative with their studies. This is the time when intellectual and other skills can be nurtured and developed. Keeping the same thought these Holiday assignments are designed by their mentors to encourage students to explore, engage and enjoy while they learn.

Here are some ways by which the students can make their holidays fun and productive.

- Reading a newspaper daily. Exploring some good books.
- Playing indoor games like Ludo, carom board, scrabble, chess etc.
- Helping parents in small household chores like cleaning the cupboards, watering the plants, making the bed, etc.
- Completing the Holiday Home Work as per the instructions given.
- Most importantly: Limiting the screen time.

Parents are requested to encourage their ward to do their homework independently.

- You can extend guidance to your children, if needed.
- Creativity and originality of the work will be appreciated.
- Control Screen Time: Do not let children spend too much time playing video games, instead encourage them to take up creative pursuits.
- Teach the important values of responsibility and duty.

Note: (1) These assignments are part of the Internal Assessments and will be marked out of 5.

(2) The Summer Break is scheduled from 07th May 2023 – 11th June, 2023. The students will resume the school from 12th June, 2023.

A Journey Through Desert – Sudha Murty

Till a few years back, I did not have a driver, and used to drive everywhere myself. The petrol bunk where I filled petrol from had a service station beside it. Some Saturdays I would take my car to that service station and stay there until it was serviced. There were two boys, perhaps fourteen years of age, who worked there. They were identical twins. One was called Ram and the other one was Gopal. They were very poor and did not go to school, yet they could speak many languages. Though Bangalore is the capital of Karnataka, Kannada is not the only language spoken here. There are many people who have come from outside the state and settled in this beautiful city, hence Bangalore has become very cosmopolitan.
