Dear Parent

SVV family wishes you a good time during the Monsoon season. We are highly concerned about the safety of the students as well as the teaching - learning process. We strongly feel that studies should not be hampered due to unpredictability of the weather.

Please note:

1. That your ward should always carry a raincoat during the monsoon season. Considering the safety of students, umbrellas are not permitted in classes Nursery to V. Students of classes VI to XII can carry raincoat or umbrella.
2. Crocs or floaters are permitted in place of uniform shoes & socks during the rainy season. Slippers are not allowed.
3. If it is heavily raining or there is a water logging in your area, please do not send your ward to the school. We will grant him/her a special leave.
4. Since weather remains unpredictable, it becomes very difficult for us to decide a holiday due to heavy rains. The school may declare a holiday depending upon the extreme weather conditions and accordingly you will be informed. We may arrange online classes from JrKG to 12 from 8.00 am onwards, if required only on such rare occasions. The timetable for online classes will be shared with you shortly.

We look forward to your co-operation and let us all pray to the Almighty to bless us with sufficient rains without hampering our work.

With regards

Dr A K Gaur
