

SHREE VASISHTHA VIDHYALAYA

Diwali Assignment (2023 24)

STD-11 Science

Sr. No.	Subject	Topics
1.	English	<ul style="list-style-type: none"> Write the following assignment questions in project papers <ol style="list-style-type: none"> Draft a poster to inculcate reading habits. The huge increase in the number of private-owned cars has made our already congested cities into permanent traffic bottlenecks. Private should be banned in the congested commercial hubs of the cities/ Write a debate in 150-200 words either for or against the motion. You plan to sell your two wheeler. Draft a suitable advertisement in not more than 50 words under the classified columns of local daily, giving all necessary details. You are the manager, Excel Pharma Ltd. Draft an advertisement for your company for the post of Sales Executive (two) mentioning all details as per your requirements. Aged people should not be left behind and every effort should be made that they live with their children and grandchildren. This will inculcate a proper understanding between the old and the new generation. Pen down your views. It's not adversities, but our attitude towards them that decides our destiny. Do you agree? Substantiate your answer with the survival story of Gordon Cook and his family. The following are long and value based questions. Write them in project paper. <ol style="list-style-type: none"> How has the mummy of Tutankhamun fascinated scientists and commoners alike over the previous decades? "And the sea, which appears to have changed less, washed their terribly transient feet." The idea depicted in these lines is that human life is subjected to change. Nothing is permanent except change. Express your views on how a human being should accept change. The arrival of the goldfinch on the Laburnum top brings about a change in the poem. How do you interpret this change? Is change good or bad in life? How is the cyclic movement of rain brought out in the poem "The Voice of the Rain"? What points of similarity do you notice between rain and music? 'Childhood is an essential state in the process of growing up, but it can't go on forever.' Discuss. The adventure is a complete blend of history and science. Give reasons for your answer.
2.	Physics	<ul style="list-style-type: none"> Solve the given Practice Worksheet in your Physics notebook. Work should be done neatly and all solutions to have diagrams, graphs, or calculations as required.
