Summer Assignment

Dear Parents,

Warm Greetings!

Summer break is a vacation time student eagerly wait for when they can relax, visit friends and family, travel to see places and basically enjoy those little pleasures of life which get left behind during the busy school routine.

To ensure that the children have a constructive holiday, some holidays' homework have been given which will keep the child active and observant. These assignments can easily be done by the children and you could assist only where required. Working together will not only help your child to build, learn and develop his/her skills but also strengthen your bond with him/her.

Please note:

- Holiday homework has to be done under the parental guidance.
- **The holiday homework will be assessed and its marks will be calculated in First Periodic Assessment which are starting from 26th June 2023, Monday.**

Wishing all of you a relaxing, joyful holidays filled with memorable time with your family.
