

SHREE VASISHTHA VIDHYALAYA

(English Medium, CBSE affiliated, Member-NPSC, Recipient-International School Award)

Date: 25th October 2024

Dear Parents of grades VI to XII

Greetings from Shree Vasishtha Vidhyalaya!

As the festival of lights approaches, we take this opportunity to extend our warmest wishes to you and your family. May this Diwali bring joy, prosperity, and happiness to your home. It is a time for celebration, togetherness, and new beginnings.

While we celebrate this joyous occasion, we would like to encourage our students and their families to be mindful of the environment. **Diwali symbolizes the victory of light over darkness, and this year, we hope to extend this message to our natural surroundings by promoting an eco-friendly and pollution-free celebration.**

We kindly urge you to encourage your child to avoid bursting crackers, which contribute to air and noise pollution, and pose health risks, especially to the elderly, infants, and animals. **Instead, let's celebrate the festival in a meaningful way—by lighting traditional lamps, decorating our homes with eco-friendly materials, spending time with loved ones, and spreading happiness.**

As part of our **Eco School** initiative, we are also conducting various awareness activities in school, helping our students understand the importance of caring for our planet. We request your support in reinforcing these values at home.

Please note that **Diwali vacations for the students will commence from 27th October 2024 and continue until 17th November 2024.** Holiday assignments have already been shared with the students, and we request your support in ensuring that they complete these assignments diligently. It is essential for students to remain consistent in their learning journey, even during the holidays.

Wishing you and your family a joyous, safe, and green Diwali!

Warm regards,

Dr. A K Gaur
