# Summer Assignment

#### Note:

- Holiday homework has to be done under the parental guidance.
- The holiday homework will be assessed and its marks will be calculated in First Periodic Assessment.

## Summer Assignment Std-5 Maths / English

Solve the questions below and find the solution. Write the number of examples of the particular noun as per the answer derived from the solution in the column provided.

| Sr. | Questions                   | Solutions       | Nouns            |  |  |
|-----|-----------------------------|-----------------|------------------|--|--|
| no. |                             |                 |                  |  |  |
| 1.  | Add the first <b>three</b>  | 2 + 3 + 5 = 10  | Proper nouns:-   |  |  |
|     | prime numbers and           | $10 \div 2 = 5$ | BHARAT           |  |  |
|     | divide it by two.           |                 | NASA             |  |  |
|     |                             |                 | MOON             |  |  |
|     |                             |                 | ENGLISH          |  |  |
|     |                             |                 | RAJ              |  |  |
|     |                             |                 |                  |  |  |
| 2.  | Add the number of           |                 | Common nouns:-   |  |  |
|     | sides of the <b>square</b>  |                 |                  |  |  |
|     | and a $\bigwedge$ triangle. |                 |                  |  |  |
|     |                             |                 |                  |  |  |
|     |                             |                 |                  |  |  |
|     |                             |                 |                  |  |  |
|     |                             |                 |                  |  |  |
| 3.  | Divide number of            |                 | Concrete nouns:- |  |  |
|     | hours of a day by the       |                 |                  |  |  |
|     | number of vowels            |                 |                  |  |  |
|     | found in the word           |                 |                  |  |  |
|     | "NEPTUNE".                  |                 |                  |  |  |
|     |                             |                 |                  |  |  |
|     |                             |                 |                  |  |  |
|     |                             |                 |                  |  |  |
|     |                             |                 |                  |  |  |

| Sr. | Questions  | Solutions | Nouns               |
|-----|--|-----------|---------------------|
| no. |  |           |                     |
| 4.  | Multiply the vertices of the <b>Hexagon</b> by the vertices of a triangle.                                     |           | Countable nouns:-   |
| 5.  | Half of two dozen ball pens.   |           | Uncountable nouns:- |
| 6.  | Divide the number of days in <b>FEBRUARY</b> in the year 2023 by the number of colours in the <b>RAINBOW</b> . |           | Collective nouns:-  |

### S.st / Science

Collect at least 10 grains (pictures or in packets) and stick on a chart paper. Find out their names, the nutrients they contain and the names of states they belong to. Write in tabular form as shown below.

| Sr.No | Grain | Name | Nutrients | states |
|-------|-------|------|-----------|--------|
| 1     |       |      |           |        |
| 2     |       |      |           |        |

### 2<sup>nd</sup> Language Hindi/Gujarati

चित्र देखकर पाँच- छ वाक्यों में चित्र वर्णन करें। (प्रोजेक्ट पेपर का उपयोग करें।) यित्र शेधने पांय थी ७ वाड्योमां यित्र वर्णन इरो.
