

Happy Diwali

SHREE VASISHTHA VIDHYALAYA Secondary Section – Std : IX

Dear Student,

On behalf of the Shree Vasishtha Vidhyalaya family, we extend our warm greetings to you and your families on the auspicious occasion of Diwali. May this Festival of Lights bring joy, health, and prosperity into your lives, and inspire you to illuminate your minds with knowledge, creativity, and compassion.

As you enjoy your vacation, we encourage you to keep your minds engaged and your creativity flowing. To support this, the school has prepared a Diwali Assignment designed to enhance your learning while allowing you to express your ideas innovatively.

We look forward to your enthusiastic participation.

**With best wishes,
SVV Fraternity**

Integrated Diwali Assignment 2025–26

Theme : “Bridging the Gap Between Our Culture and the Modern Gadgets’ Impact on Life”

Objective : To explore how modern gadgets have influenced family life, cultural practices, and relationships and propose ways to bridge this gap creatively.

Deadline for Submission: 6 November 2025

Duration: 14 Days

General Instructions (Applicable to All Subjects)

- Work **individually**; you may collect information from **family members, neighbours, and elders**.
- Present your work as a **creative portfolio or digital booklet** (A4 sheets in a file or online slide deck).
- **Cover Page** with **Title, Name, Class, Roll No.** and a **creative image/collage**.
- **Index Page** listing all tasks.
- **Subject-wise sections** as instructed.
 - **Heading/Subheading** as given in task instructions.
 - **Word Count/Page Limit** as specified.
 - **Images, graphs, or data tables mandatory** where asked.
 - **Captions and labels** under all visuals.
- **Reflection Page** at the end:
 - What did you learn about gadgets and culture?
 - How will you apply these lessons in daily life?
- **Font**: Clear handwriting or Times New Roman 12 (if typed)
- **Images/Data**: can be printed, cut, pasted, or hand-drawn.

Best work will be displayed on the **school soft board**.

English

Write an Essay: “How Gadgets Affect Our Family Life & Relationships – Personal Reflection” in 400–500 words. Include at least **one family anecdote**.

Format:

- Title
- Introduction
- Main Body (3 paragraphs)
- Conclusion (lessons learnt)
- Insert one image. (Optional)

Page Limit: 2–3 A4 pages including visuals.

Science

Task: Explain the **health and environmental impacts** of gadgets. Take at least **3 health impacts** (e.g., eye strain, posture issues, sleep disruption) and **3 environmental impacts** (e.g., e-waste, energy consumption, pollution).

Support your report with **examples**.

Suggest **3 ways to reduce harm**.

Format:

- Title
- Introduction
- Three Health Impacts – Subheadings + examples
- Three Environmental Impacts – Subheadings + examples
- Three Solutions

Size: 2 A4 sheets with visuals

(Write all the practicals in the science lab manual notebook)

Social Science

Task: Create a **chart** showing **five traditional activities affected by gadgets**.

For each activity:

- Heading of the Activity
- Small Caption/Explanation (30–50 words)
- Mention **one social benefit or drawback**

Format:

- Table or infographic with 5 rows (one per activity)
- Include one image or small icon per activity

Size: 1–2 A4 sheets

Mathematics

Task: Conduct a survey of **10–15 people** (family, neighbours, classmates or friends).

Questions to Ask Each Person:

1. **Number of gadgets they use** (specify the type – Mobile, Tablet, Laptop, Smart TV, Smartwatch etc.).
2. **Total time spent on gadgets per day** (in minutes).

Data Collection Table (Sample Format):

| Sr. No. | Age Group (Child/Adult) | Gadget Type(s) Used | Number of Gadgets | Total Time Spent Daily (Minutes) |
|---------|----------------------------|------------------------|----------------------|-------------------------------------|
| | | | | |

What to Do with the Data:

- **Step 1:** Make a **frequency table** of the most-used gadget types.
- **Step 2:** **Draw Bar graph** (showing number of gadgets vs people)

OR

- **Step 3:** Write **4–5 lines of conclusion** about your findings.

[Size: 1–2 A4 sheets (one sheet data + one sheet graph/conclusion)]

Information Technology / AI

Digital Poster: “Reducing Gadget Addiction – Balancing Tradition & Tech” using Canva/PowerPoint. Save as PDF or print on A4.

Art & Craft

Create: A collage or drawing of your favourite cultural activity without gadgets.

Size: 1 A4 or half chart paper

Gujarati

વિકલ્પ ૧ – સર્જનાત્મક લેખન

તમારી પસંદગીની ભાષામાં કવિતા, સૂત્ર અથવા ટૂંકું પરિચેદ લખો વિષય પર:

“ગેજેટ્સ પહેલાંનું અને બાદનું જીવન”
