We're proud to share that **Jiya Patel**, a Class XII Science student of **SVV**, has written an insightful article titled "**The Power of Energy Efficiency**", which has been featured in the July-December 2024 **edition of CENBOSEC – the official magazine of CBSE.**

CENBOSEC is a biannual journal published by **CBSE**, which is circulated in all CBSE schools across India and overseas, and all Central and State Government departments.

Jiya's article highlighted the **Sustainable Practices at Shree Vasishtha Vidhyalaya**. This Noteworthy feat is a testament to our commitment to nurturing eco-conscious, responsible learners.
