Subject: Introduction of Skill Subjects in Class XI (Session 2025-26)

Dear Parents,

In alignment with CBSE directives and keeping in view the future readiness of our students, the school will be introducing a Skill Subject in Class XI from the academic session 2025-26.

Science Stream – Artificial Intelligence (AI) (Subject Code: 843)

Theory: 50 Marks | Practical: 50 Marks

Commerce Stream – Marketing (Subject Code: 812)

Theory: 60 Marks | Practical: 40 Marks

The primary objective of this inclusion is to ensure that students are equipped with:

Practical knowledge that complements theoretical learning, Problem-solving and analytical skills essential for academic and real-life applications, Career-oriented competencies that enhance employability and adaptability in a dynamic professional world.

By integrating these subjects into the curriculum, we aim to prepare our students for higher education and future career opportunities, while also enabling them to perform with greater confidence and efficiency in their Board Examinations.

We seek your cooperation in supporting this initiative, which is a significant step towards making our students future-ready and holistically competent.

Warm Regards
