## Important Notice: Mobile Phones Strictly Prohibited in School

Dear Parents,

Greetings from Shree Vasishtha Vidhyalaya!

This is to inform you that, in the interest of maintaining a focused, safe, and distraction-free learning environment, students are strictly prohibited from bringing mobile phones to school.

### Please note the following:

1. Mobile phones are not allowed on school premises under any circumstances.
2. If any student is found in possession of a mobile phone during school hours, the device will be confiscated immediately, and disciplinary action will be taken.
3. Confiscated phones will be returned only to parents/guardians after a formal meeting with the school authorities.
4. In case of an emergency, parents are requested to contact the school office directly. Likewise, students may approach their class teacher or the school office if they need to contact home.
5. This rule applies during regular school hours, field trips, exams, and school events, unless officially notified otherwise.

We seek your full cooperation in helping us maintain discipline and ensure an environment that prioritizes learning and personal growth.

**Thank you for your support and understanding.**

Sincerely,
