

SHREE VASISHTHA VIDHYALAYA - CBSE

Exam Schedule for Grade X

Date: 06.01.2026

Dear Parent

Greetings of the day!

Our students are stepping into a significant stage of their academic journey in preparation for the forthcoming Board Examinations scheduled to begin on 17-02-2026. So far, the students have been preparing diligently for this important milestone. To further strengthen their preparation and provide them with meaningful practice, the school will be conducting two rounds of Preliminary Exams. These examinations will help students revise the complete syllabus, assess their readiness, and enhance their confidence.

Exam schedule is given below. Students are advised to prepare sincerely and make the best use of this opportunity.

These examinations are designed to help students:

- Revise the entire syllabus thoroughly
- Identify areas requiring improvement
- Build confidence for the final Board Examinations

- 1) **I Prelim will be conducted from 16th January to 22nd January 2026 and II Prelim from 27th January to 2nd February 2026 as per the following schedule:**

I Preliminary Exam: 2025 – 26			II Preliminary Exam: 2025 – 26

21-01-2026	Wednesday	English	01-02-2026	Sunday	Holiday
22-01-2026	Thursday	Social Science	02-02-2026	Monday	Science

- 2) **Both the Preliminary Exams will be conducted from the full syllabus as per the Board pattern.**
- 3) Parents are requested to ensure that their ward uses time productively, follows a disciplined study routine, and revises regularly. Your guidance at home, together with the efforts of teachers at school, will greatly support them in achieving excellence.
- 4) Attendance for all the above examinations is **compulsory**.
- 5) In addition, parents and students are informed that multiple assessments conducted throughout the year—including Periodic Assessments, Term Examinations, Cyclic Tests, and the Preliminary Examinations—collectively contribute to the **Internal Assessment marks** for all subjects. These Internal Assessment marks are **uploaded on the CBSE portal** and are added to the **final Board Examination result**. Hence, every examination conducted by the school is important and students must take them seriously and appear for them with full sincerity.
- 6) Students are advised to stay focused, maintain good health, and avoid distractions such as mobile phones and other electronic gadgets.
- 7) The last date for the submission of Full Fee for the academic year 2025-26 was 10-10-2025. Please pay the fee if still pending.
- 8) Let us work together to motivate our children to give their best and step confidently toward success in the Board Examinations.

With Best Wishes
