The next four high-achievers will qualify for a 50% reduction in tuition fees, and the subsequent five outstanding students will receive a 25% scholarship. This scholarship program spans a two-year duration, supporting education in both Class XI and Class XII.

05. Failure to submit a withdrawal request by this date will be interpreted as an intention to continue enrolment for the next session, and fees will be applied as per the established norms. We extend our appreciation to all parents for your continuous encouragement and support of various school programs and activities throughout the year. We look forward to a strong and enduring relationship with you.

With Best Wishes
