Std: III – A / B / C / D / E / F / G / H

Dear Parents,

As the festive season approaches, Shree Vasishtha Vidhyalaya extends warm wishes for a joyous and safe Diwali. May this break bring laughter, peace, and togetherness to every Vasishthian family.

In keeping with our school's guiding principles of mindful living, continuous learning, and holistic well-being, we encourage you to motivate your child to make the most of the vacation through a few simple and meaningful steps:

1. **Celebrate an Eco-friendly Diwali:** Choose traditional diyas and natural decorations. Minimize or avoid firecrackers, plastic decorations, and waste. Let the festival of lights be gentle on our planet.

2. **Read at Least One Book:** Encourage your child to pick a book (fiction, biography, or a subject of interest). Reading nurtures curiosity, vocabulary, and reflective thinking. For an exciting range of engaging Reading Materials, please refer to our very own Digital Library Vasishtha Learning Space

<https://vasishthalearningspace.my.canva.site/>

3. **Learn One New Skill (as a Family):** Be it gardening, cooking, painting, coding, origami, or even a new language — learning together strengthens family bonds and keeps the mind active.

4. **Adopt One Healthy Habit:** Encourage small daily changes — morning walks, stretching or yoga, balanced meals, or digital/screen detox hours. These build discipline and well-being.

Let this Diwali light up our homes and enlighten young minds through learning, compassion, and responsibility.

Wishing all students and parents a safe, green, and meaningful festive season.

With warm regards,

Shree Vasishtha Vidhyalaya

PLEASE NOTE:

Riya is making a flower pot for her school project. She uses different types of soil and water. Help her complete the activity by solving the questions below:

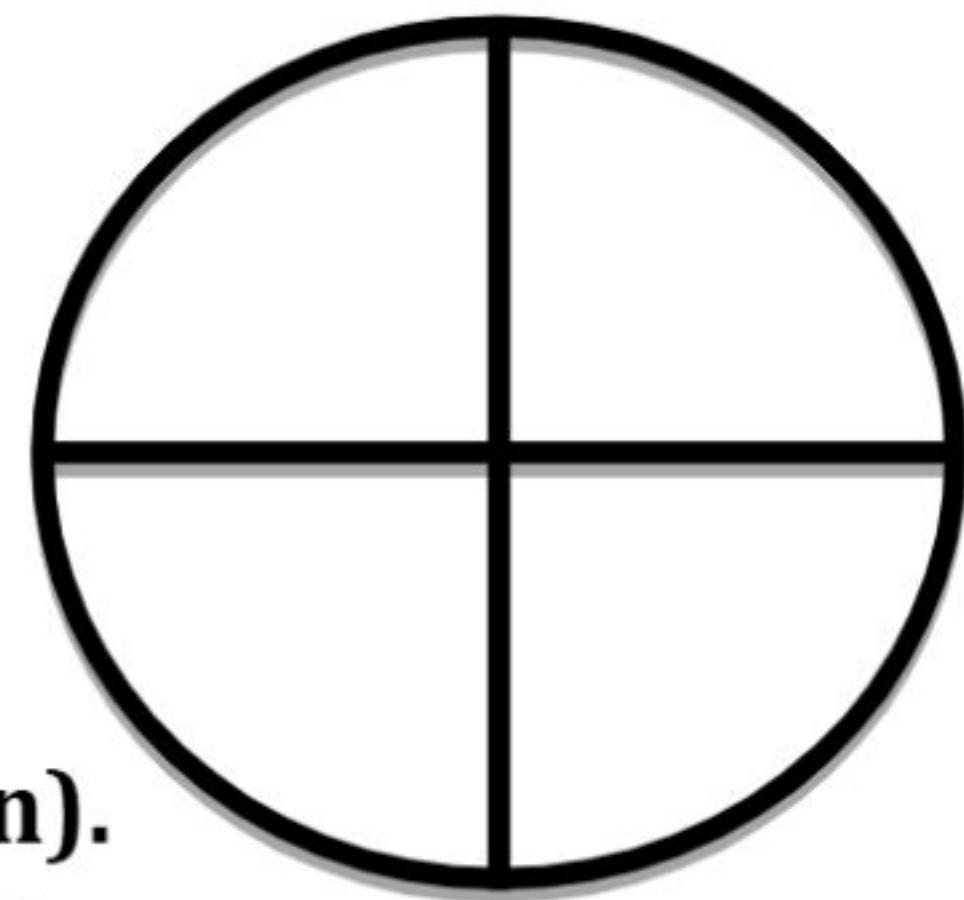

1) She filled the pot with:

- $\frac{2}{4}$ bucket of garden soil
- $\frac{1}{4}$ bucket of sand
- $\frac{1}{4}$ bucket of compost

👉 Colour the circle to show the mixture

(Garden soil- brown, sand- yellow, compost- green).

2) She has 12 kg of soil. If she divides it equally into 3 pots, how many kg of soil will each pot have? _____

➤ Draw Riya's pot and stick pencil shavings to make flowers in the pot on an A4 size paper. Some examples are given below.

Note: Attach the paper with this assignment.
