Launching '*The Reading Ladder*' & DEAR: A Reading Initiative for Every Child

Dear Parents,

Reading is the foundation of learning and one of the most valuable lifelong skills a child can develop. With the vision of nurturing confident readers and fostering a love for books, the Primary Section of **Shree Vasishtha Vidhyalaya** is pleased to introduce two reading initiatives for our students.

The Reading Ladder – A Personalized Reading Mentorship Programme

The Reading Ladder is a structured intervention programme for students who need additional support in developing basic reading skills. The programme will follow three simple steps:

- **Identify** students requiring reading support through teacher observations and assessments.
- **Assign** a dedicated reading mentor to each identified child.
- **Provide** daily supervised one-to-one reading sessions to strengthen reading fluency, accuracy, confidence, and comprehension.

Each child will receive individual attention and progress at a pace best suited to their needs.

DEAR (Drop Everything And Read)

To cultivate the habit and joy of reading, all Primary students will participate in **DEAR (Drop Everything And Read)**. During the scheduled DEAR period, every child will spend dedicated, uninterrupted time reading a book of their choice, helping develop vocabulary, imagination, comprehension, and a lifelong love for reading.

Through **The Reading Ladder** and **DEAR**, we aim to ensure that every child not only learns to read but also reads to learn and enjoys the wonderful world of books.

We seek your wholehearted support in encouraging regular reading at home and making this initiative a meaningful success.

Warm regards,

Dr. A K Gaur
