Story	The Thirsty Crow  It was summer and the day was very hot. A crow was very thirsty. He looked for water from here and there, but he could not find any water. At last, he saw a pot with very little water inside. He thought of a plan. He picked up stones from nearby and dropped them into the pot, one by one. The water came up. The crow drank the water and flew away happily. <u>Moral:</u> We should use our common sense.
