Summer Assignment

Class - 4

Student's Name : _____

Class / Div : _____ Roll Number : _____

Dear Parents,

Summer break is a much-awaited period in the academic calendar that provides students with an opportunity to take a pause from their regular studies, relax, and rejuvenate. It is a time to refresh both mind and body, and to spend meaningful moments with family and friends.

In keeping with our school's guiding principles of mindful living, continuous learning, and holistic well-being, we encourage you to motivate your child to make the most of the vacation through a few simple and meaningful steps:

1. Read at least one book- Encourage your child to pick a book (fiction, biography, or a subject of interest). Reading nurtures curiosity, vocabulary, and reflective thinking.

2. Learning one new skill- Be it gardening, cooking, painting, coding, origami, or even a new language — learning together strengthens family bonds and keeps the mind active.

3. Adopt one healthy habit-Encourage small daily changes— morning walks, stretching or yoga, balanced meals, or digital/screen detox hours. These build discipline and well-being.

Wishing all of you a relaxing, joyful holiday filled with memorable time with your family.

Regards SVV
