Story

A Thirsty Crow.

It was summer the day was very hot. A crow was very thirsty. He looked for water here and there, but he could not get any water. At last he saw a pot of very little water inside. He thought of a plan. He picked up some stones from nearby and dropped them into the pot one by one. The water comes up, the crow drank the water and flew away happily

Moral: Where there is a will there is a way.
