My dear friend,

I had such a nice time at Mama's place. I had really enjoyed a lot with him.

Mama had planned a trip to Mussoorie for a week. He had some official work to attend, ~~to some~~ meetings. Mami - Mami are my favourite. I had a good time with them.

We visited Kempti falls and went by ropeway to Lal diggi. I have purchased a jacket for myself and for you too. Mama had made good arrangements for

our stay. It was so much fun and frolic with adventurous activities and shopping. We had enjoyed the traditional food like Phannu, Bhang Ki Chutney, Kebab, etc.

This trip was the most memorable one for me.

Your friend,

My dear Mumma,

You would be surprised to receive this closed envelop from me. I could have told you about it, but I am writing down to reassure myself.

You had given me 'The Children's Mahabharata' series. I have read them and have known many things. Now I would love to have the

'Children's Ramayana' as my Birthday Gift, instead of toys or games.

I am sure you and papa, both will feel happy that I have begun to love reading books. So I shall await for my Birthday Gift along with your blessings

Yours loving child,
Zitkarsh
