day see candle-light street play blue

Bed in Summer

In winter I get up at night

And dress by yellow candle light

In summer, quite the other way,

I have to go to bed by day

I have to go to bed and see

The birds still hopping on the tree,

Or hear the grown-up people's feet

Still going past me in the street

And does it not seem hard to you,

When all the sky is clear and blue,

And I should like so much to play,

To have to go to bed by day?
