My Family

Starter

H.W.

Fill in the names of your family members, (you, your brother/sister and your parents) in the family tree.

Parents and their children together make a family.

Hi, I am Rahul.
Meet my family.

I live in a **nuclear family**.

There are four members in my family. Papa, Mummy, my younger sister Naina and me.

How many members are there in your family?

Let's Meet Riya's Family

Riya lives in a **joint family**. A joint family has more than one set of parents living together with their children.

Teacher's note:

Invite a few students on the class stage to speak 4-5 lines about 'My Family'. Teach the children to respect and obey their parents and help them in daily chores.

I have an ideal family. Everyone in my family shares the work at home.

Helping Each Other

My father is a doctor. He works in a hospital.

He also helps my mother in the kitchen.

My mother works in an office. She also cooks food for the family.

Our parents work hard.

They earn money to buy things for the family.

They send us to a good school.

They look after us.

My sister and me also help our parents. We help to keep the house clean. We water the plants in the garden.
Me and my sister put away our things in proper places.
