Day: Friday

Dear Diary,

Today was my best friend's birthday party, and it was amazing! The party was at his house, and everything was decorated with balloons and lights. There was a big chocolate cake with his/her name on it.

We played so many games. I gave him a puzzle game as a gift, and he/she was so happy. The food was yummy too - especially the cupcakes!

I had so much fun, and I didn't want to leave. I'm so glad to have a friend like him/her.

Good night, Diary!

Dear Diary,

Today I went to the amusement park with my family, and it was the best day ever! We rode the Giant Ferris wheel and I could see the whole city from the top. I also went on the roller coaster - it was so fast and exciting!

There were fun games and tasty snacks like popcorn and cotton candy. I also won a small teddy bear at the ring toss game!

I had so much fun and took lots of pictures. I wish I could go again soon.

Bye, for now!
