Chapter: 5. India is called Bharat

## ➤ Introduction

India, a land of diverse cultures and rich history, has been known by various names throughout its existence. From ancient texts to modern-day usage, the country's names reflect its complex identity and the influences it has faced over time.

## ➤ Ancient Names of India

- A. **Sapta Sindhava:** Meaning "land of seven rivers," this name was used in the Rig Veda to refer to the northwestern region of the Indian subcontinent.
- B. **Bharatavarsha:** Mentioned in the Mahabharata, this name refers to the entire Indian subcontinent and means "the land of the Bharatas".
- C. **Jambudvipa:** Used by Emperor Ashoka around 250 BCE, this name describes the Indian subcontinent as the "island of the jamun tree".
- D. **Hindustan:** This name was first used by Persians around 1,800 years ago and later became popular among invaders to describe the Indian subcontinent.

## Foreign Influences on India's Names

- A. Persian Influence: The Persians referred to India as "Hind" or "Hindu," derived from the Indus River.
- B. Greek Influence: The Greeks called India "Indoi" or "Indike," dropping the initial "H" sound due to linguistic differences.
- C. Chinese Influence: The Chinese referred to India as "Yintu" or "Yindu," also derived from the Indus River, and "Tianzhu," meaning "heavenly master".

## Evolution of India's Names

- A. Ancient Texts: Names like "Sapta Sindhava" and "Bharatavarsha" were used in ancient texts like the Rig Veda and Mahabharata.
- B. International Recognition: The name "India" eventually became the internationally recognized name, while "Bharat" remains widely used in Indian languages.
