

**VASISHTHA GENESIS SCHOOL, BARDOLI**

(Academic Session: 2025-26)

**Date:** \_\_\_\_\_ **Class: 2** **Div: A/B/C** **Roll No:** \_\_\_\_\_ **Sub: Science**  
**Name:** \_\_\_\_\_ **Rev. ans key : 2 (PT-2)**

**CHAPTER 9 & 10**

**Q1. Choose the correct option and answer the following questions:**

- i. We can feel air when we are  
a) Sleeping      **b) Running ✓**      c) Eating      d) Sitting
- ii. Which of these makes air impure?  
a) Trees      b) Flowers      **c) Smoke and dust ✓**      d) Clean water
- iii. When air moves gently, it is called  
a) Storm      b) Wind      **c) Breeze ✓**      d) Air
- iv. What helps clothes dry faster?  
a) Still air      **b) Moving air ✓**      c) Cloudy day      d) Closed room
- v. Water changes into ice on:  
a) Heating      **b) Cooling ✓**      c) Freezing food      d) Drying
- vi. We should store drinking water in:  
a) Open buckets      **b) Covered containers ✓**      c) Dirty bottles      d) Plastic bags
- vii. Rain is the main source of:  
a) Milk      **b) Water ✓**      c) Oil      d) Soap
- viii. Underground water is obtained using:  
a) Fan      **b) Hand pump ✓**      c) Clock      d) Thermometer

**Q2. Answer the following Very Short answer type questions:**

- i. What is needed for breathing? **Air**
- ii. What can we use to take out underground water? **Handpump**
- iii. What is gentle moving air called? **Breeze**
- iv. What do we use to clean drinking water at home? **Water Purifier**
- v. What form of water is found on mountain tops? **Snow**

- |       |  |                          |
|-------|--|--------------------------|
| vi.   | What is water in the form of steam called?                 | <u>Water Vapour</u>      |
| vii.  | What do we call water stored below the ground?             | <u>Underground water</u> |
| viii. | What do we get when air moves very fast?                   | <u>Storm</u>             |
| ix.   | What cycle shows the change of water into different forms? | <u>Water Cycle</u>       |
| x.    | What do we call moving air?                                | <u>Wind</u>              |
