Q-6 Read the passage and write answers

Road Safety Rules

Riya was walking to school with her friend. She stopped at the zebra crossing and looked both ways before crossing the road. She reminded her friend to wait for the green signal. Riya always follows road safety rules. She wears a seat belt in the car and never runs on the road.

Road safety is important for everyone. We should always follow traffic signals, use footpaths, and wear helmets while riding a bicycle or scooter. These rules help prevent accidents and keep us safe.

(A) Multiple Choice Questions (MCQs)

1. What did Riya do before crossing the road?

a) Ran across quickly b) Looked both ways c) Closed her eyes

2. What should we wear while riding a bicycle?

a) Cap b) Helmet c) Scarf

3. Why are road safety rules important?

a) To save time b) To win prizes c) To prevent accidents

(B) Fill in the Blanks

1) Riya used the zebra crossing to cross the road.

2) We should wear a helmet while riding a bicycle.

3) We must wait for the green signal before crossing.

4) Road safety rules keep us safe.
