Answer these questions

Q.1. What is the difference in the way the two boys stand in the puddles?

A.1. The real boy stands upright, while the other boy appears upside-down in the puddles.

Q.2. What makes the boy think that the other boy is kind hearted?

A.2. The other boy smiles back at him whenever he smiles, so he feels the boy is kind.

Q.3. How would life be if you had no playmates?

A.3. Life would be lonely and less fun without playmates to play and share everything with.

Reference to Context

1. And we step in all the puddles.

a. Who is 'we' here?

A. The boy and his reflection in the puddles.

b. Where does he find all the puddles?

A. He finds them while walking through the town on a rainy day.

c. How do you think the boy feels when he steps into the puddles?

A. He feels happy and playful.
