Mental Development

Rearrange the words correctly.

1. T F A R E H

FATHER

4. O T E H M R

MOTHER

2. N O C U I S

COUSIN

5. S T I E S R

SISTER

3. R O T H B E R

BROTHER

6. T U A N

AUNT

Children also help their parents in the house. They study and respect their elders.

You can all make your parents happy if you—

- obey them
- respect them
- do well in studies
- love them
- help them

Sense of Duty

Relationship Skills

We should help our family members. When we help each other at home, we become a strong team.

It's like being a superhero for our family. Let's lend a hand and make our family happy!

Things I have Learnt

- Parents and their children make a family.
- A family is of many types — small, large, single-parent and joint.
- Brothers of father and mother are called uncles.
- Sisters of father and mother are called aunts.
- Every family has a surname.
- Every member of the family plays an important role.
- Parents take care of the children's needs.
- Children should respect, love, obey and help their parents.

Think and Answer

A. Answer the following questions orally.

Communication

1. Who cooks delicious meals for you in the family?
2. What fun games do you play with your family?
3. Where would you like to go with your family on vacation?

B. Circle the correct words.

Remembered Perception

1. Mother and father are called parents/family.
2. Children should help/trouble their parents.
3. Father should/should not help mother in household work.
4. Brothers of your mother and father are called uncles/cousins.
5. Children of your uncles and aunts are called cousins/aunts.

C. Answer the following questions.

Remembered Perception

1. What is a nuclear family?
2. Who lives together in a joint family?
3. Who are called uncles?
4. Who are called aunts?
5. What is a surname?

Do and Learn

- D. Divide the class in three groups. Let each group act out a nuclear, large, or joint family. Ask them how these families are different from each other.

Analogy

E. Write down five things you can do to make your parents happy.

Relationship Skills

1. We should obey them.

2. We should respect them.

3. We should do well in studies.

4. We should love them.

5. We should help them.
