## F Answer these Questions :-

Q.1 Write the difference between a Nuclear and Joint Family.

Ans.Nuclear FamilyJoint Family

1. A family that has one set of parents and their children is called a nuclear family.

1. A family with more than one set of parents and their children is called a joint family.

2. One or both parents have the responsibility to earn an income.

2. Usually more than two adults work and financial responsibilities are shouldered jointly.

3. Children may not spend a lot of time with their parents if both parents are working.

3. There are other adults to take care of the children even if both parents are working.

Q.2

Have you ever taken on a new responsibility at home because of a changing season? How did you feel about it and did it help make your family members more comfortable?

Ans.

Yes, I have taken on a new responsibility at home because of changing seasons.

I felt a sense of responsibility and belonging which strengthens my self esteem. Yes it made my

family member more comfortable and happy.

Q3 What good things do the teachers and school staff do to make your school days memorable?

Ans:- The good things done by our teachers and school staff to make our school days memorable are

- i By providing engaging learning experiences and quality education
- ii Making the school environment secure and comfortable.
- iii Working together with parents and guardians to ensure overall growth and success of the child

Q-4 Why do you think its essential for family members to provide love, support and a loving environment at home? How does this love and support help shape your overall growth and happiness in life?

Ans:- I think love and support of the family members help a child to develop a balanced personality. This makes a child strong, affable and well-adjusted.

Give reason:-

1. The school is a child's second home.

Ans:- Because it provides a nurturing and supporting environment in which they learn and grow.

2. Each season has its own magic as well as unique tasks for our family members.

Ans:- Because the changing seasons bring with them new roles and responsibilities for everyone in a family.
