* Answer the following questions :-

1) Why did Lakad want Simha to go to his banquet in the hills?
Ans Lakad wanted Simha to go with him so that he could eat Simha.

2) Was there really a banquet waiting for Simha? How do you know?
Ans No, there was no banquet waiting for Simha. The lines 'My family is waiting. You'll be the main course' tell us that Lakad's plan was to eat Simha. Simha was going to be the main course for Lakad's family.

3) why had the animals gathered?

Ans The animals had gathered to thank each other and Nature for the rain, the hunt, the food and the jungle that made them better people.

4) what was special about the hyena's banquet?

Ans There were no rules in the hyena's banquet. Everyone could eat whatever they wanted to eat.

5) Simha had got into trouble earlier as well. How do you know?

Ans We know this because his friend Kiki says that Simha never learns from his mistakes.

6) why did Simha think that Lakad wouldn't mess with him?

Ans Simha thought that Lakad wouldn't mess with him because Simha was a lion cub and hyenas were afraid of lions in general.
