* Write a diary entry describing your experience of spending a day without electricity.

Date :- 14th July, 2026
Day :- Tuesday

Dear Diary,

Today there was no electricity in our area for many hours. At first, I felt bored because I could not watch television or use the fan. Then I played indoor games with my family and read my favourite storybook. In the evening, we lit candles and talked together.

It was fun to spend time without mobile phones and TV. I learned that we should save electricity and enjoy simple moments with our family.

Good night, Diary!
