* Ques - Ans

Q. 1) Why should a house have doors and windows?

Ans → A house should have doors and windows to let in fresh air and sunlight.

Q. 2 Name three ways to clean the house.

Ans → We can clean the house by:

1) Sweeping and mopping the floors.

2) Dusting furniture and shelves.

3) Cleaning windows and doors regularly.

Q.3 Where should the garbage be thrown?

Ans. Garbage should be thrown in dustbin.

Q.4 Why should windows and doors have wire mesh?

Ans - Windows and doors should have wire mesh to prevent flies and mosquitoes from entering the house.
