A. Read the following passage carefully, and choose the correct options:

It was a cloudy morning, and dark grey clouds covered the sky. Riya looked outside her window and saw big drops of rain falling from the sky. She was a little sad because she had planned to play outside with her friends. Her mother came in and said, "Why don't you wear your raincoat and boots? You can enjoy the rain safely."

Riya got excited. She quickly wore her yellow raincoat and stepped outside. The streets were wet and shiny. She jumped in puddles and laughed as water splashed around her. Her friend Aarav joined her, and they both made paper boats and watched them float. Even though they couldn't play in the park, they still had fun. That rainy day turned out to be one of the best days Riya ever had.
