Clothes

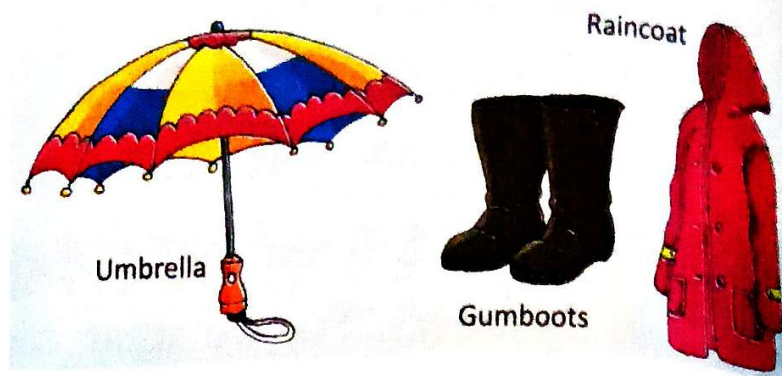

Warm-Up

Communication

Circle the clothes that you wear in the winter season and also discuss in the class why is it important to dress up according to the seasons.

When it rains, we wear a **raincoat** and use an **umbrella**. They protect us from rain. Sometimes, we also use **gumboots**.

Rejuggle

Rearrange the words correctly.

1. TONTCO

COTTON

3. ATCOAINR

RAINCOAT

2. MROWLKSI

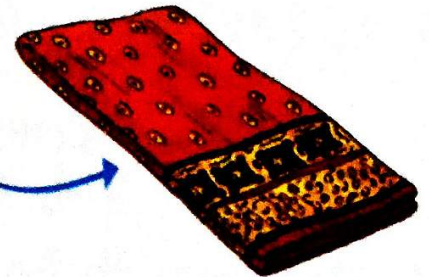

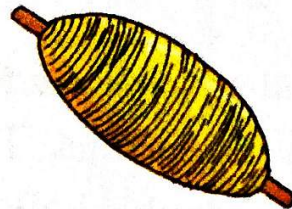

SILKWORM

4. COONCO

COCOON

Mental Development

We wear special clothes on occasions, like a birthday party or a wedding. Such clothes are colourful and decorative. We get silk from silkworm, an insect. Silkworm lives on mulberry leaves. A silkworm builds a home around itself with long sticky threads. This home is called a cocoon. These cocoons are used to make silk threads.

Silk clothes are made from silk.

Think and Do

Direct Perception

Write 'W' for winter clothes and 'S' for summer clothes.
