Q.1 Which colour said it was the sign of life?

Ans Green colour said it was the sign of life. Green said, "I am the sign of life and of hope."

Q? Why does Yellow think about the other colours?

Ans Yellow thinks that all the other colours are too serious. They should bring laughter, happiness and warmth into the world.

Q.3 Name three food items that are orange.

Ans The three orange food items are carrot, orange and mangoes.

Q.4 What do you see in the sky before it rains?

Ans Before it rains, we see dark clouds in the sky before it rains.

Q.5 What do the colours do when it rains?

Ans When it rains, all colours are important

come together to form a rainbow.

Q.6 What did you learn from the story of the colours?

Ans I learned that all colours are important. No one colour is better than the other. When

we all work together, we make  
the world beautiful, just like  
a rainbow.

Important.

more of us together.

rainbow.

the more we know.

of the colors.

we know that all colors.

important. the more colors.

the more colors.
