Services in My Neighbourhood

Warm-Up

Communication

Look at the picture given below carefully and discuss with your classmates the names of the places you see in the picture and how these things are helpful for us.

Fire Station

Whenever a building catches fire, we dial 101 to call the fire brigade from the fire station. A fire station has firemen and fire engines. Firemen put out fires.

A School

School

It is a very important service in any neighbourhood. A school helps children to gain knowledge and learn good manners.

ATM

People use ATM to take out and deposit money whenever they like. It is open 24 hours on all days. Most of the banks provide ATM facility.

Social Awareness

Being a good neighbour means helping and being kind to others in our community. We can pick up litter, say hello to our neighbours and help someone who needs it. By working together, we make our neighbourhood happy and safe for everyone!

Things I have Learnt

- Houses built near each other form a neighbourhood.
- A neighbourhood provides services which make our life comfortable.
- We send letters, money and parcels through the post office.
- A policeman helps in protecting us.
- A traffic policeman directs traffic on the roads.
- A market makes things easily available.
- Firemen put out fires.
- A doctor treats sick people.
- People keep money and jewellery in the bank.
- Children gain knowledge at school.
